

STATE CARE

Expert Staffing Solutions

Welcome to State Care

At State Care, we are a one-stop, temporary employment business providing expert and committed nurses, healthcare assistants, carers, support workers, domestic and other types of staff nationwide. Our clients include private hospitals, CCGs, social services, learning disability units, nursing, care, and residential homes.

We take tremendous pride in our values, manners, and enthusiastic, approachable attitude. Our clients benefit from a dependable, reliable, and professional organisation that remains affordable without compromising quality.

Whether your service is concerned with providing social companionship or more complex healthcare – State Care is ready to assist you. Our staff maintain relevant experience, including caring for younger adults, the elderly, those with spinal or brain injuries and those with mental health ailments and learning disabilities.

State Care maintains a proven record in the healthcare sector. Our staff and management team are committed to our values of excellence and meeting your needs as a healthcare provider. Whether you require one-off cover or need support for significant projects, we are ready to assist you with cost-effective, exceptional healthcare staffing solutions.

Our Values

Here at State Care, our core goal is to provide person-centred solutions that enable people to achieve their maximum potential. We provide an enabling environment that is solution focussed and works to overcome problems. We offer excellent support and stimulation to enable independence and include reasonable and monitored risk-taking. Promoting civil and human rights is integral to State Care, and we ensure our practice is non-discriminatory and celebrates individual differences.

We provide an atmosphere founded on respect between service users, clients, and staff. We have ensured this through prioritising and upholding the dignity of everyone, providing the highest possible standards of staff recruitment and selection and training development. This enables our employees to further develop their professional and care skills and offer exemplary, compliant service.

What Sets State Care Apart?

State Care is owned and managed by a team of people with extensive experience in the healthcare sector. We understand what is required to match the appropriate staff with clients' needs. We provide a comprehensive service with experienced professionals that are prepared for any scenario.

With access to a diverse network of staff, we can find a professional to fulfil the assignment efficiently. We ensure you receive reliable, flexible, and experienced staffing professionals ready to support your clients.

At State Care, we ensure a rigorous and extensive recruitment process to ensure only the highest calibre of professionals are employed. We only hire staff with appropriate and verifiable references. We want to ensure you gain access to professional and competent staff and that your clients can feel secure thanks to our screening, assessment and training.

We are passionate about providing an outstanding service that remains affordable and cost-effective. We offer attractive packages to employees and clients, and we ensure that we maintain a balance that doesn't compromise quality. Our initial trial period delivers the most attractive rates that beat most agencies.

Our Recruitment Standards

At State Care, our core focus is to ensure that we consistently and efficiently provide the highest quality care staff. To ensure this, we have applied internal Quality Assurance Systems that are constantly improved throughout our thorough hiring process. It is of paramount importance to us that our staff are compliant.

All candidates we screen attend an in-person interview with our recruitment specialist. Only those with adequate care experience, local knowledge, determination, and awareness are hired. We hand-pick our staff to match them to the services they provide. Our team possess the necessary qualifications and experience, with most of them having achieved QCF Level 2 or 3.

Your Business Is Our Business

Our candidates are subject to thorough Disclosure Barring Services (DBS), POCA, SOVA, work history, experience, and qualification checks. We also verify references and health declarations to understand who is capable of what and to what level of competence. We regularly assess ongoing training needs to ensure a high level of service.

At State Care, we comply with:

- The Care Act 2014,
- The Regulation of Care Act 2001 (Scotland),
- Department of Health Code of Practice of NHS Employers,
- All NHS National Framework Guidelines.
